The ABCD's of First Impressions

The opening session topics will include the ABCDs of creating a first impression that helps you stand out for all the right reasons. Embracing and developing yourself as a leader, which will evolve your brand because you are your brand! Owning who you are will give you more confidence to connect with more people. It's who you connect with and how you interact with them that will lead to personal and professional growth and in turn business growth. The fact is: businesses don't grow, people do.

Featuring

Leann Hackman-Carty

Master Your Disaster!

Learn how to RESPOND and not REACT to emergencies. Businesses can face dramatic consequences in the wake of a disaster and in today's world everyone could experience a disaster of some form in their businesses. In this keynote, Leann Hackman-Carty explains how your business can better prepare, mitigate and (sometimes) prevent disasters- whether they be natural disasters like floods and fires, the COVID pandemic, or a cybersecurity breach. Feel safer armed with the knowledge you need to handle whatever comes your way! This is your Business Readiness, Response & Recovery Primer!

About Us!

Community Futures Peace Country is a community driven, non-profit organization staffed by business professionals and guided by a volunteer Board of Directors. We provide a wide range of small business services and business management tools for people wanting to start, expand, franchise or sell a business. We also run a number of specialized business programs, organize exciting business events, and actively work with community and business leaders to foster rural economic growth.

Supported in Alberta by Prairies Economic Development Canada, Community Futures has been supporting small business and rural economic diversification since 1986. Community Futures has established 90 Community Futures organizations throughout rural Western Canada, including 27 offices in Alberta.

Given the importance of small business to Canada's changing economy, one of the primary focuses of the CFs is to foster entrepreneurial development by providing both financial and technical support to new and existing small businesses.

Stay up to date on upcoming programs, news and events!
